November

3. At 8 p.m. on 19 November, a troop train consisting of 18 boxcars with troops wearing red-bordered black epaulets, 9 boxcars and 8 gondola cars with billeting equipment and 4 flatcars with crates and rubbish was dispatched from Strausberg sirfield to Wustermark.

25X1Al. Comment. This shipment is believed to have been misidentified and probably did not carry field guns but AA guns.

aircraft parts and

military goods

guard personnel

engines

25X1A<sup>2</sup>. Comment. While previously observed incoming rail shipments at the Strausberg air force depot far exceeded outgoing shipments, this ratio has been reversed during the reporting period.
